

DEPARTMENT OF THE ARMY

CERTIFICATE OF ACHIEVEMENT

AWARDED TO

Jeff S. Juel

SEATTLE DISTRICT ENGINEER OF THE YEAR

Jeff S. Juel is officially commended for his outstanding professional contribution to the Seattle District Corps of Engineers. As a Civil Engineer, who has split his time over the past year between our design branch and the Ft. Lewis Area Office, he was instrumental in providing true life cycle management of two important civil works projects. Mr. Juel's work ethic, exceptional problem solving ability, and zeal for technical quality serve as an example of the qualities we need in our engineers during this period of change, and reflect well upon himself and the Corps of Engineers.
